6. Irrigation – Potable:

Annualized allotments shall renew each year beginning with water use charged on the July bill. Acreage allotments shall be based on irrigated acreage.

a. Irrigation – Agriculture

First 870 hcf/acre/year	1.51
Next 240 hcf/acre/year	4.44
All other use	4.68

On July 1 of each year, the beginning first block allotment for each agricultural customer shall be augmented by the amount of any unused first block allotment for the prior fiscal year, provided however that: i) no such augmentation shall occur if the Public Works Director has determined that the amount of water in storage in Lake Cachuma was less than 100,000 acre-feet as of the end of the prior fiscal year, and ii) any such augmentation shall be limited such that the beginning first block allotment shall not exceed 200 percent of the regular first block allotment based on 870 hcf/acre/year. Such augmentation of first block allotments shall be effective with the fiscal year beginning July 1, 2007.
